IMPORTANT WARNINGS AND CAUTIONS!

WARNING: A WARNING alerts you to the possibility of serious injury or death if you do not follow the instructions.

CAUTION: A CAUTION alerts you to the possibility of damage or destruction of equipment if you do not follow the corresponding instructions.

WARNING: Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty! It is the installer's responsibility to make sure all components are properly assembled and installed using the instructions provided.

WARNING: Failure to provide adequate structural strength for this component can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the structure to which this component is attached can support five times the combined weight of all equipment. Reinforce the structure as required before installing the component.

WARNING: Exceeding the weight capacity can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the combined weight of all components located on wall mounts and accessories attached to the wall mounts, does not exceed the weight capacity specified for the wall mount.

TOOLS and PARTS REQUIRED FOR INSTALLATION

INSTALLATION

1. Remove end caps from wall mount rails. (See Figure 1)
4. Install accessories following installation instructions included with accessories.

**Figure 1**

2. Attach FCK000, FCK008 or FCK016 (A, B or C) to the wall mount rails and tighten. (See Figure 2)

NOTE: When attaching the FCK000, use tool included with kit to tighten the FCK000 to the wall mount rails.

3. Attach wall mount to wall (if not already done) following installation instructions included with the wall mount.

**Figure 2**

Our Mounts. **Your Vision.**
