H659 Side Mount for iPad mini 6th Generation

Heckler

When mounted outside your meeting spaces, iPad mini 6th generation creates an impressive and modern room scheduler with all the power and capabilities of iPadOS.

Features

Hidden adapter pocket fits a wide selection of popular PoE+ and networking adapters.

Compatible with customized room nameplates.

Mounts to the side face of aluminum mullions. Ideal for conventional glass wall systems with at least 1.5 inches of glass set-back relative to the front of the mullion.

Mounts flush with mullion or with a 10-degree upward angle for comfortable use when mounting at an ADA-compliant height.
